

Notice of Changes in COO / CFO, Board Member

Lily MedTech Inc. announces the change in board member as detailed below effective 1st July 2020.

Notice

Yohei Kondo has been contributing Lily MedTech Inc. as Business Administration Director, Management Department, through organization development and financing.

For the launch of our breast screening system, we need to strengthen the relationship between sales/marketing, field service, and quality assurance, in order for us to earn credibility of both company and product and to prepare for further business expansion after the launch. For this reason, Lily MedTech expands his responsibility to enforce collaboration between these departments.
